

FireBlok™ Universal Firestop Insert Gaskets

Replace your 2-hour wrap around firestop putty with Orbit's FireBlok™ Universal Firestop Insert Gaskets. UFSI is **ideal for prefabrication**.

Easier to ship v.s. putty pads. (No need to plastic wrap!) Installs 90% faster than putty, with *less mess*. Doubles as a **Sound Pad!** UFSI works with most 4" Sq, 4-11/16" or 1-gang boxes.
