## Simple Support Bracket advantages:

- Mount a 5" SQ. BOX as easy as a 4" SQ. BOX!
- **Expands from 15" to 25"** fits any stud bay or hard-lid ceiling.
- **Dual-direction mounting:** turn any size box 90°.
- **Critical position:** put your box exactly where you need it!
- **Purchase pre-assembled:** 4" Sq. - 4-11/16" Sq. - or 5" Sq. junction boxes
- Compatible with **Adjustable Mud Rings!**
- **Ideal for prefabrication:** expand the SSB-T5 without removing box / adapter.

## ALSO: Ready-to-Install Boxes & Brackets AS ONE PART NUMBER!

Save time *and* money! Order the SSB pre-assembled - with box, adapter, and pigtail! [SSB-4S-MKO](#) includes 4" box. [SSB-5S-MKO](#) includes 4-11/16" box. Buy assemblies as **off-the-shelf part numbers**. Results in *less* planning, *less* handling, *less* inventory management, and *less* job site waste!
